

Courageous Comics

Purpose: Identify different ways to bravely respond to unkind behavior online.

Help defeat mean behavior online! **Complete the comic strip** below by drawing how the character could respond to seeing an unkind message about a classmate.

Not sure what to do? Here are some ways to handle unkind behavior online:

1. Privately be kind to the person being targeted. For example, you could send them a nice message.
2. Reply to the unkind message with something nice about the targeted person.
3. Call out the mean behavior (not the person). For example, say "That's not cool!"
4. Support the person being picked on by inviting them to hang out with you on the playground or sit with you at lunch.
5. Report the unkind behavior on the platform.
6. Tell an adult who can help, like a parent, teacher or school counselor.
