

Matching Game: It's Cool to Be Kind

Purpose: Learn vocabulary words that will help you be kind online.

Read the vocabulary words and descriptions below. Then, **find the image that matches each description**. Can you match them all?

Descriptions

1. EMPATHY

Trying to feel or understand what someone else is feeling. "Trying" is an important word in the definition, because actually understanding other people's feelings is really hard. We can get better at it by trying.

2. CONFLICT

An argument or disagreement.

3. CYBERBULLYING

Bullying that happens online or through using digital devices.

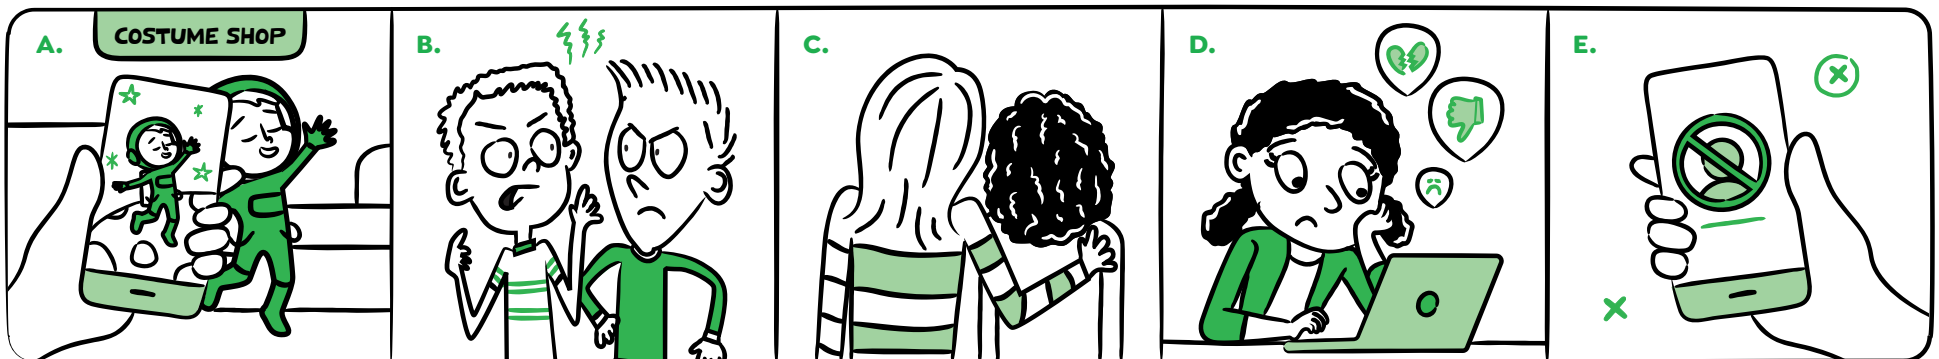

4. CONTEXT

Additional information about a photo or information that helps us understand better what we're seeing. Context can include information like the place where the photo was taken or the time a text was sent.

5. BLOCK

A way to end all interaction with another person online, preventing them from viewing your profile or sending you messages.
